

POSTMASTER, POMPTON PLAINS NJ 07444

May 23, 2018

Dear Postal Patrons and Pompton Plains/ Pequannock residents,

We are pleased to announce the repaving project at the Pompton Plains Post Office, 538 Pompton Newark Turnpike, will begin on Saturday, May 26. Mail delivery will be unaffected and the Post Office will remain open for business throughout the entire construction process.

The work on the customer parking lot in front of the building and back lot will be completed in phases. The customer parking lot will be completed first and scheduled to reopen on June 18.

While minor inconveniences are expected during construction, employee and public safety remains our top priority. As alternatives, the Pompton Plains Post Office has two nearby Post Offices within a 4 minute drive. They include the Pequannock Post Office at 190 Newark Pompton Turnpike and the Wayne Post Office at 150 Pompton Plains Crossroads.

You can also purchase stamps, calculate postage, mail packages and conduct virtually any service offered at brick-and-mortar Post Offices from the comfort of your home or on the go — by going to [usps.com](http://usps.com), or by downloading the USPS Mobile app on iOS or Android devices.

We are looking forward to the completion of the entire project this summer and confident our customers and employees will be equally pleased with the results. If any Pompton Plains resident or business person has a question, feel free to give me a call at 973-835-4243.

Sincerely,

Jason Wilson  
Postmaster
