

The Township of Pequannock would like your help!

The Township of Pequannock is proud of its history of volunteerism and community service and would like to invite interested residents to consider taking an active role in the Township's Municipal Government. There are positions on Boards, Commissions, and Advisory Committees which will be filled by the Mayor and Council at their reorganization meeting on January 3, 2017. These committees are an important way in which our residents participate in developing policy on matters as diverse as Parks and Recreation, Economic Development, Open Space, Fair Housing, Flood Control, Historic Preservation, Senior Citizens, Planning and Zoning, the Library, Historic Preservation, and Environmental issues.

Information regarding the terms and openings on the various boards can be located on the Township's website, www.peqtwp.org, under "[Appointed Boards and Commissions](#)"

These positions need no special expertise beyond a willingness to give some of your time and a desire to be involved. If you are interested in serving on any of these boards, please fill out a Volunteer Application form which is available in the Clerks' Office or on the Township website's Forms Directory at: [Volunteer/Citizen Leadership Form](#)
Please complete the form and email it to TownshipClerk@peqtwp.org by December 15th. The form can also be mailed or delivered to the Municipal Building.

If you would like more information please reach out to one of the Township Council Members or to the Township Clerks' Office at 973-835-5700 x121.

We look forward to working with you!
