

PUBLIC NOTICE

In compliance with Subchapter 9-9.10 of the NJ Pesticide Control Code (N.J.A.C. Title 7, Chapter 30), notice is hereby given that the Township of Pequannock Department of Public Works, 99 Alexander Ave, Pompton Plains, NJ 07444, will be applying ProDeuce (active ingredients Glyphosate, and Prodiamine) for the control of pre-emergent weeds by truck mounted sprayer on a community wide basis, as needed of the right of ways on township roadways beginning April 23, 2018 and ending June 23, 2018. For additional information contact Forrest Harper, Foreman-Department of Public Works (pesticide applicator license #52275b) at 973-835-5700 ext. 189. Call the NJ Poison Information Center 800-222-1222 for emergencies, the National Pesticide Information Center 800-858-7378 for routine health inquiries and to obtain information about signs and symptoms of pesticide exposure. Call NJ Pesticide Control Program 609-984-6507 for pesticide regulation information, pesticide complaints and health referrals. Upon request, the pesticide applicator or applicator business shall provide a resident with notification at least 12 hours prior to the application, except for Quarantine and Disease Vector Control only, when conditions necessitate pesticide applications sooner than that time.
