**WHEREAS**, the governing body of the Township of Pequannock (hereinafter referred to as the "Township") determined that Cablevision of Oakland, LLC, (hereinafter referred to as "the Company" or "Cablevision") had the technical competence and general fitness to operate a cable television system in the Township, and by prior ordinance granted its municipal consent for Cablevision to obtain a non-exclusive franchise (the "Franchise") for the placement of facilities and the establishment of a cable television system in the Township; and

**WHEREAS**, by application for renewal consent filed with the Township and the Office of Cable Television on or about June 21, 2011, Cablevision has sought a renewal of the Franchise; and

**WHEREAS**, the Township having held public hearings has made due inquiry to review Cablevision's performance under the Franchise, and to identify the Township's future cable-related needs and interests and has concluded that Cablevision has substantially complied with its obligations under the Franchise and applicable law and has committed to certain undertakings responsive to the Township's future cable-related needs and interests;

**WHEREAS**, the governing body of the Township has accordingly concluded that the consent should be renewed subject to the requirements set forth below; and that, provided Cablevision's proposal for renewal embodies the commitments set forth below, the Township's municipal consent to the renewal of the Franchise should be given; and

**WHEREAS**, imposition of the same burdens and costs on other competitors franchised by the Township is a basic assumption of the parties;

**SECTION 2. STATEMENT OF FINDINGS**

A public hearing concerning the consent herein granted to Cablevision was held after proper public notice pursuant to the terms and conditions of the Act. Said hearing having been held and fully open to the public, and the municipality having received all comments regarding the qualifications of Cablevision to receive this consent, the Township hereby finds Cablevision possesses the necessary legal, technical, character, financial and other qualifications to support municipal consent, and that Cablevision's operating and construction arrangements are adequate and feasible.

**SECTION 3. GRANT OF AUTHORITY**

The Township hereby grants to Cablevision its non-exclusive consent to place in, upon, along, across, above, over, and under its highways, streets, alleys, sidewalks, public ways, and public places in the municipality poles, wires, cables, and fixtures necessary for the maintenance and operation in the Township of a cable television system or other communications facility, and for the provision of any communication service over such facilities. Operation and construction, pursuant to said consent, is conditioned upon prior approval of the Board of Public Utilities.

**SECTION 4. DURATION OF FRANCHISE**

This consent granted herein shall be non-exclusive and shall be for a term of fifteen (15) years from the date of issuance of a Certificate of Approval by the Board.

**SECTION 5. EXPIRATION AND SUBSEQUENT RENEWAL**

If Cablevision seeks successive consent, it shall, prior to the expiration of this consent, apply for a municipal consent and certificate of approval in accordance with N.J.S.A 48:5A-16, and applicable state and federal rules and regulations. In accordance with N.J.S.A. 48:5A-25.1, both the Township and Cablevision shall be bound by the terms of this municipal consent until such time as Cablevision converts the municipal consent (and any certificate of approval) into a system-wide franchise.

**SECTION 6. FRANCHISE TERRITORY**

The consent granted under this Ordinance to Cablevision shall apply to the entirety of the Township and any property hereafter annexed.

**SECTION 7. SERVICE AREA**

**SECTION 8. FRANCHISE FEE**

Pursuant to the terms and conditions of the Cable Television Act, Cablevision shall pay to the Township, as an annual franchise fee, a sum equal to two (2%) percent of the actual gross

revenues received from all recurring charges in the nature of subscription fees paid by subscribers for its cable television reception services in the Township. In the event applicable law hereinafter permits a larger franchise fee to be collected, but does not fix the amount thereof, the Township and Cablevision shall negotiate in good faith with respect to the amount thereof, provided, however, that nothing herein shall be construed to permit the Township to require payment of a franchise fee by Cablevision that is higher than the fee paid by all other cable television service providers offering service in the Municipality.

### **SECTION 9. FREE SERVICE**

Cablevision shall, upon written request, provide free of charge, one (1) standard installation and monthly cable television reception service to all State or locally accredited public schools and all municipal public libraries, as well as municipal buildings located within the Township as set forth in Exhibit A to this Ordinance.

Upon written request from the Township, the Company shall provide to state and locally accredited elementary and secondary schools and municipal public libraries in the Township, without charge, the following: (1) one standard installation per school or library; (2) one cable modem per installation; and, (3) basic cable modem service for the term of this Ordinance for each installation. This offer shall be subject to the terms, conditions and use policies of the Company, as those policies may exist from time to time.

Upon written request from the Township, the Company shall provide to (1) one municipally owned facility, without charge, the following: (1) one standard installation; (2) one cable modem per installation; and (3) basic cable modem service for the term of this Ordinance for each installation. This offer shall be subject to the terms, conditions and use policies of the Company as those policies may exist from time to time.

### **SECTION 10. CONSTRUCTION/SYSTEM REQUIREMENTS**

Cablevision shall perform construction and installation of its plant and facilities in accordance with applicable State and federal law. The Company shall be subject to the following additional construction requirements with respect to the installation of its cable plant and facilities in the Township:

(a) In the event that the Company or its agents shall disturb any pavement, street surfaces, sidewalks, driveways or other surfaces, the Company shall at its sole expense restore and replace such disturbances in as good a condition as existed prior to the commencement of said work.

(b) If at any time during the period of this consent, the municipality shall alter or change the grade of any street, alley or other way or place, the Company, upon reasonable notice by the Township shall remove or relocate its equipment, at its own expense.

(c) Upon request of a person holding a building or moving permit issued by the Township, the Company shall temporarily move or remove appropriate parts of its facilities so as to permit the moving or erection of buildings or for the performance of other work. The expense of any such temporary removal or relocation shall be paid in advance to the Company by the person requesting the same. In such cases, the Company shall be given not less than fourteen (14) days prior written notice in order to arrange for the changes required.

(d) During the exercise of its rights and privileges under this consent, the Company shall have the authority to trim trees upon and overhanging streets, alleys, sidewalks and public places of the Township so as to prevent the branches of such trees from coming in contact with the wires, cables, conduits and fixtures of the Company. Such trimming shall be only to the extent necessary to maintain proper clearance for the Company's facilities.

### **SECTION 11. TECHNICAL AND CUSTOMER SERVICE STANDARDS**

Cablevision shall comply with the technical and customer service standards established for the cable industry under applicable federal and State laws, rules and regulations.

### **SECTION 12. LOCAL OFFICE OR AGENT**

Cablevision shall establish and maintain during the entire term of this consent a local area

business office or agent for the purpose of receiving, investigating and resolving complaints regarding the quality of service, equipment malfunctions and similar matters. Said office shall be open daily during normal business hours, and in no event less than 9:00 a.m. to 5:00 p.m., Monday through Friday, with the exception of holidays.

**SECTION 13. DESIGNATION OF COMPLAINT OFFICER**

The Office of Cable Television is hereby designated as the complaint officer for the Township pursuant to the provisions of N.J.S.A. 48:5A-26. All complaints shall be reviewed and processed in accordance with N.J.A.C. 14:17-6.5.

**SECTION 14. LIABILITY INSURANCE**

Cablevision agrees to maintain and keep in force and effect at its sole cost at all times during the term of this consent, sufficient liability insurance naming the Township as an additional insured and insuring against loss by any such claim, suit, judgment, execution or demand in the minimum amounts of five-hundred thousand dollars (\$500,000) for bodily injury or death to one person, and one million dollars (\$1,000,000) for bodily injury or death resulting from any one accident or occurrence stemming from or arising out of the Company's exercise of its rights hereunder.

**SECTION 15. PERFORMANCE BOND**

Cablevision shall obtain and maintain, at its sole cost and expense, during the entire term of this Agreement, a bond to the municipality in the amount of twenty-five thousand dollars (\$25,000.00). Such bond shall be to insure the faithful performance of its obligations as provided in this Franchise.

**SECTION 16. RATES**

A. The rates of the Company for cable television services shall be subject to regulation to the extent permitted by federal and State law.

**SECTION 17. EMERGENCY USES**

Cablevision shall be required to have the capability to override the audio portion of the system in order to permit the broadcasting of emergency messages by the Township pursuant to state and federal requirements. The Company shall in no way be held liable for any injury suffered by the Township or any other person, during an emergency, if for any reason the municipality is unable to make full use of the cable television system as contemplated herein. The Township shall utilize the state-approved procedures for such emergency uses.

**SECTION 18. EQUITABLE TERMS**

In the event that the service of another multi-channel video program provider not subject to the Township's regulatory authority within the Township creates a significant competitive disadvantage to Cablevision, the Company shall have the right to request from the Township lawful amendments to its Franchise that relieve it of burdens which create the unfair competitive situation. Should the Company seek such amendments to its Franchise, the parties agree to negotiate in good-faith appropriate changes to the Franchise in order to relieve the Company of such competitive disadvantages. If the parties can reach an agreement on such terms, the Township agrees to support the Company's petition to the Board for modification of the consent in accordance with N.J.S.A 48:5A-47 and N.J.A.C. 14:17-6.7.

If the parties are unable to reach an agreement on appropriate amendments to the franchise, the Township acknowledges that the Company shall have the right to petition the Board directly for such amendments in accordance with N.J.S.A. 48:5A-47 and N.J.A.C. 14:17-6.7; provided, however, the Township shall be under no obligation to support Cablevision's request for such relief from the Board.

In any subsequent municipal consent, Township shall require, at a minimum, the same terms and conditions of any other provider of multi-channel video programming subject to the Township's regulatory authority as those contained in the instant consent. In the event such subsequent consent does not contain the same terms and conditions as the instant consent, Township agrees to support the Company's petition to the Board for modification of the consent

in accordance with NJSA 48:5A-47 and NJAC 14:17-6.7 to relieve the Company of competitive disadvantages identified in the Company's petition.

**SECTION 19. REMOVAL OF FACILITIES**

Upon expiration, termination or revocation of this Ordinance, Cablevision at its sole cost and expense and upon direction of the Board, shall remove the cables and appurtenant devices constructed or maintained in connection with the cable services authorized herein, unless Cablevision, its affiliated entities or assignees should, within six (6) months after such expiration, termination or revocation obtain certification from the FCC to operate an open video system or any other federal or state certification to provide telecommunications.

**SECTION 20. PUBLIC, EDUCATIONAL, AND GOVERNMENTAL ACCESS**

- A. Cablevision shall continue to make available non-commercial public, educational and governmental (PEG) access services available to the residents of the Township as described in the Application for municipal consent. All Cablevision support for PEG access shall be for the exclusive benefit of Cablevision's subscribers.
- B. The Township agrees that Cablevision shall retain the right to use the PEG access channel, or portion thereof, for non-PEG access programming, during times when the Township is not utilizing the channel for purposes of providing PEG access programming. In the event that the Company uses said PEG access channel for the presentation of such other programming, the PEG programming shall remain the priority use and the Company's rights with respect to using the channel for non-PEG programming shall be subordinate to the Township's provision of PEG access programming on such channel.
- C. Cablevision shall have discretion to determine the format and method of transmission of the PEG access programming provided for in this Section 20.
- D. Cablevision shall provide the Township with a one-time PEG grant of up to forty five thousand five hundred fifty dollars (\$ 45,550.00) payable as follows: (1) an initial grant payment of eleven thousand two hundred and fifty dollars (\$11,250.00) within 60 days of the issuance of the Certificate of Approval by the Board of Public Utilities (the "Initial Grant"); and (2) a grant of thirty four thousand three hundred dollars (\$34,300.00) provided in annual installments of two thousand four hundred and fifty dollars (\$2,450.00), upon written request by the Township (the "Annual Grant). The Annual Grant shall be payable to the Township within ninety (90) days from receipt of the Township's written request. Cablevision shall not be obligated to make any additional payments beyond year fifteen of the franchise term.
- E. The Township agrees that the Initial Grant and the Annual Grant provided pursuant to Paragraph D, shall be used for the exclusive support of PEG access programming, such as the purchase and/or rental of PEG access equipment and facilities. On request, the Township shall provide Cablevision with a certification of compliance with this Section 20(E).
- F. The Company shall have no further obligation to provide any PEG grant payments due and payable after the date upon which the Company converts the municipal consent granted herein to a system-wide franchise in accordance with N.J.S.A. 48:5A-25.1.

**SECTION 21. INCORPORATION OF APPLICATION**

All of the commitments contained in the Application and any amendment thereto submitted in writing to the Township by the Company except as modified herein, are binding upon Cablevision as terms and conditions of this consent. The Application and any other written amendments thereto submitted by Cablevision in connection with this consent are incorporated in this Ordinance by reference and made a part hereof, except as specifically modified, changed, limited, or altered by this Ordinance, or to the extent that they conflict with State or federal law.

**SECTION 22. CONSISTENCY WITH APPLICABLE LAWS**
