GRANTS

1st Grant will be approved shortly- 2nd Grant is in the review process. 1st Grant will cover 26 homes.

CONCORTIUM UPDATE

Louise - Public Meeting will be held at the same time that the 1st Grant is approved. The sub-committee has planned to have representatives from the following: Fema, Insurance, Real Estate, Legislators, Red Cross, Surveyor, Elevations, Smart Vents, Newbridge Services, New App, Town Engineer.

MINUTES - From June were approved by Nick & Roger

CURRENT EVENTS UPDATE

Ken - Configuration of Brookside sidewalks has been changed to slow down traffic. A clean up is badly needed in the Brook along the area of Romondt down to PV Park, The area can even be improved by placing small rocks along the banks & install park benches.

The Flood Advisory Committee will have a presence at the Hoe Down. Literature will be given out along with having Preliminary Maps on display. Nick, Don, Ken, & Kim will work the Booth.

Ken - Demonstrated the new Flood App for Smart Phones. This is being done by him at no cost to the Town. He will present it to the Town Council this Tuesday.

Dara - Shared with us information on her phone about Aqua Dam. It is a device that you can place around your property to keep out water during a Flood. The height of it is 2ft & the cost is \$8300.

CRS UPDATE

Melissa - Shared with all of us the article in the Trends of Sept 4th- our rating will go to a 5 as of Oct 1st. 770 residents will be effected by this. The Insurance discount will now be 25%.

Meeting ended at 9:00 by Ken & Don
