

## EDC MINUTES FOR MARCH 25, 2015

In attendance- Jeff, Donna, Randy, Melissa, Chris, Kelly, Nicole, Charlie & Louise. Jeff called meeting to order @ 7:42

Morris County EDC Manager Lindsey Santamaria apparently was not able to make the meeting. Jeff will followup. Another speaker- Mike Simone was not able to attend at a previous meeting. Randy will followup on that.

February Minutes - Randy had a question- Louise read from her notes to clear up the situation. They were accepted by Donna & Jeff

### PEQUANNOCK'S NEWSLETTER

Jeff- Put an article from EDC in the Town's recent Newsletter. He spoke @ Shopping Local & Pick Pequannock. He encouraged all of us to make a contribution. He will include information @ the Rebate Program in the April Letter. Randy suggested putting information about the Streetfair in the Letter also

### POLE SIGNS

Randy- Dave H will allow the Chamber to put up these signs if they totally handle the entire process- for example- the actual placing of the signs on the poles & organizing it with the businesses.

### MEETING WITH THE DIRECTOR OF PLANNING/ADVOCACY FOR THE STATE-Jerry Schasenber

Chris- Has arranged for this meeting on April 13th at 10:30 AM. Those who are able to attend are Donna, Randy, Charlie & Melissa. Jeff suggested that an agenda be put together for this meeting. Melissa will find out if this is considered a regular meeting- meaning that it requires public notification & the taking of minutes.

### UPDATES

Jeff- Waiting to hear back from Peter from Downtown NJ. Melissa will followup with Peter to arrange a date when he can come & speak to us.

Melissa- The old Edwards Engineering Building is asking the Town to reclassify their zoning. Presently they are allowed to have manufacturing & warehousing in that building. They would like their classification to include being allowed to have Sports such as wrestling. They are in a I1 Zone.

Melissa- Explained Fema's Preliminary Flood Maps to us. Many of those in the A100 zone have been changed from flood area to floodway. This can possibly make a difference in their insurance premiums.
