2013

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.S.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- ☐ Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.
- ☐ No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- ☐ 3 years. (Population under 10,000)
- ☒ 6 years. (Over 10,000 and all county governments)
- ☐ ____ years. (Exceeding minimum time period)

- ☐ Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

Pequannock Township began a long-term process to reduce and eventually eliminate municipal debt in 1995. Significant progress has been made towards that goal. All long term General Obligation Bonds had been paid off as of 12/31/2011. Some debt remains in the form of short term notes. Significant payments towards this remaining debt are made each year, including \$647,000 in 2013. As of 2011, Pequannock has achieved a pay as you go capital program for all new General Capital Items. 2013 will be the third year in a row that no new debt will be authorized to finance General Capital projects while maintaining a strong capital program that includes annual funding for Road Resurfacing, Park Improvements, Vehicle Replacements and wide variety of capital equipment required to support the needs of a full service municipality.
