

PEQUANNOCK'S VOLUNTARY PLASTIC FILM RECYCLING PROGRAM

Currently, Pequannock Township's **curbside** recycling program does **not** accept plastic film like plastic bags and wrap.

Via a collaborative program involving composite deck maker Trex, the Pequannock Environmental Commission, the Pompton Plains Stop and Shop, and the Pequannock Library, **you can recycle acceptable plastic bags/films in a bin at the Library vestibule:**

ACCEPTABLE

Plastic bags/films marked with the following symbols:

These films are "stretchy."

All items must be clean and dry.

NOT ACCEPTABLE

Plastic bags/films either **unmarked** or marked with these symbols:

These plastic films are not stretchy and tend to be "crinkly"!

Frozen food bags

Apple bags

Reusable bags

WHEN YOU PARTICIPATE, YOU WILL:

- Keep plastic out of the environment
- Put used plastic back to use
- Reduce the need for more petroleum
- Help us earn a new, recycled-plastic bench
From the Trex Corporation for every 500 lbs
of plastic film that we collect in a 6-month period.

Thank you for helping us implement this recycling program – [Pequannock Environmental Commission](#)
