We understand you reviewed the plans earlier this year (prior correspondence attached) and are looking to confirm you've reviewed the latest plans and there are no concerns. Let us know if you have any questions or need anything else.

Thank you,

Hi Mark – Our office is working on the proposed One School Global project located at 60 Sunset Road. Back in March, Lori Camaya with the Township circulated our plans for your review and you had confirmed there were no issues with Fire access/circulation.

Since then, we have made some minor adjustments to the plans and would like to share the latest for your review. Attaching our site plan sheet & truck turning exhibit. Could you please confirm there are no issues with what is being proposed?

Please let us know if you will need hard copies as well and feel free to reach out with any questions.

Thanks,

Jason Aktas
