

ATTRACTING POLLINATORS WITH NATIVE PLANTS

AT THE LIBRARY RAIN GARDENS AND
TOWNSHIP POLLINATOR GARDEN

PRESENTED BY THOMAS NEWMAN, P.E., CHAIR, AND KAREN RANDOLPH,
PHD, BOTH OF THE PEQUANNOCK ENVIRONMENTAL COMMISSION

Learn why native plants are important for our environment and how volunteers are working to use them at the Library and elsewhere in town to help control flooding, remove pollutants, attract pollinators like birds and butterflies, all while beautifying our Township.

Tuesday,
October 15th
at 7pm

Pequannock
Environmental
Commission
